

Instructions to follow in lab

do not disturb or change the settings of any electronic device

do not try to mishandle with web cams

Be gentle with systems

Most importantly Have Fun

ACKERABAD

:-P What is Hackerabad

Hackerabad is a community run by students, for students and of students. It is a place that lets you tinker, break, and rebuild. After all, you can't make an omelet without breaking a few eggs

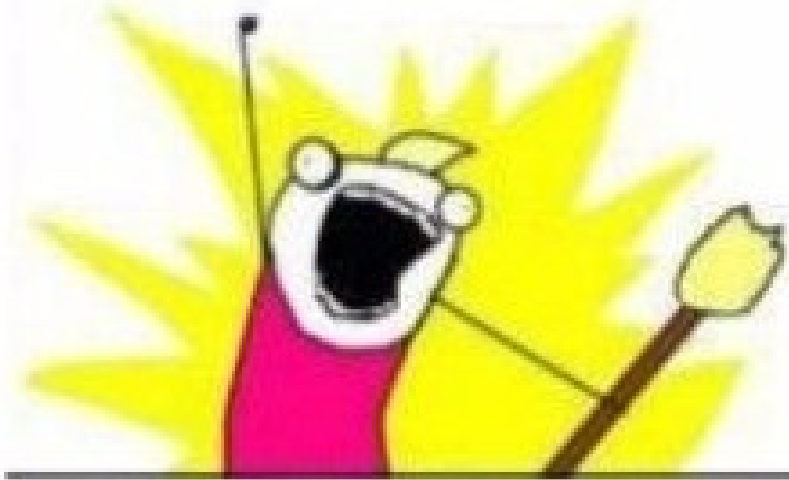

:-P What we do?

We hack accounts

We aim to make life simpler

You get access to a super
awesome community that will
help you to learn, share, and grow.

WHO ARE WE?

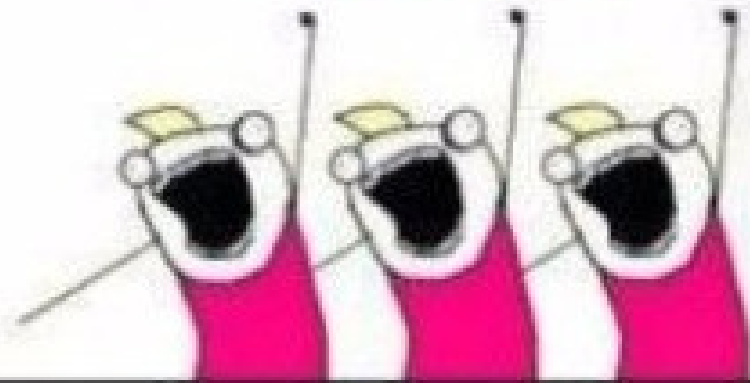

**WE ARE
STUDENT COMMUNITY**

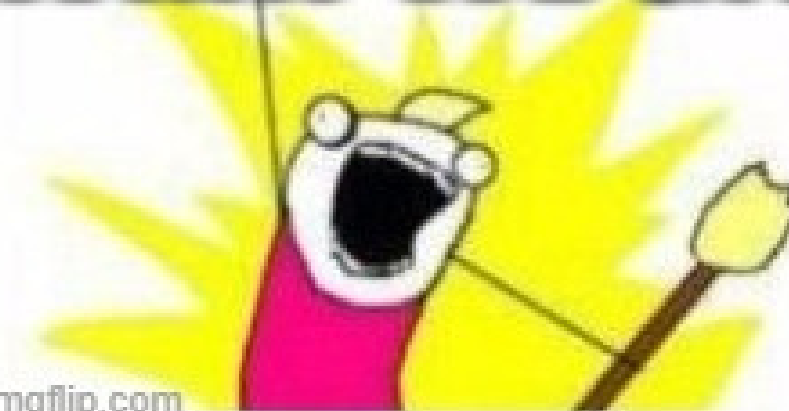

WHAT WE DO

**WE EMPOWER
STUDENTS**

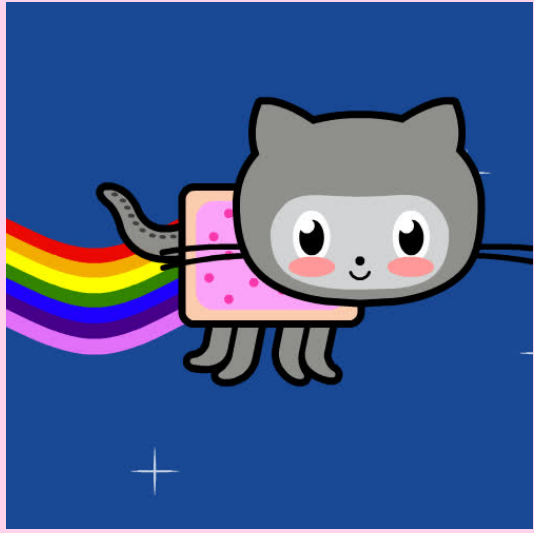

WHAT WE GIV

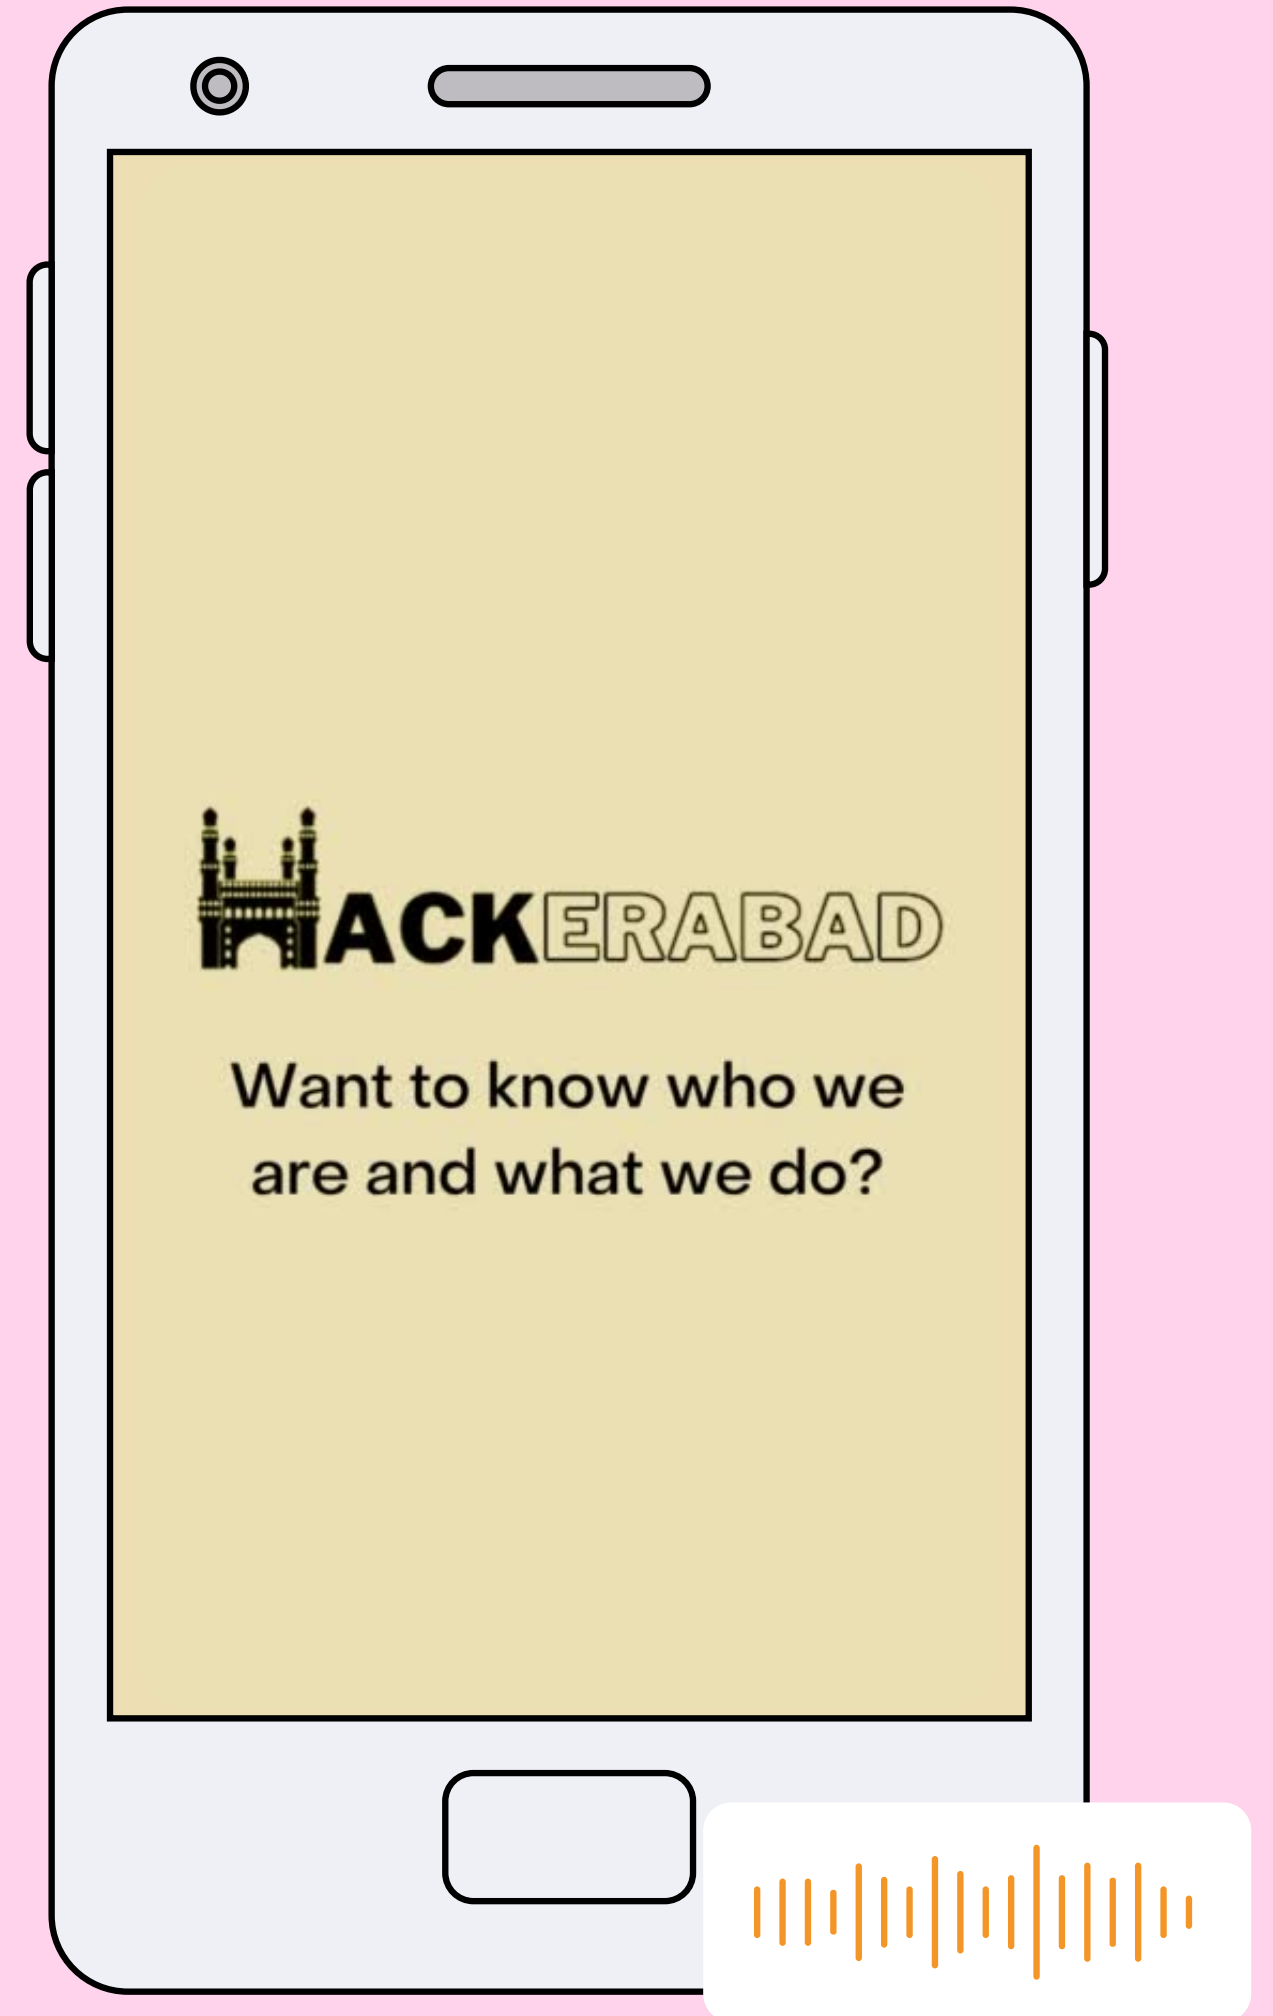

SWAGS

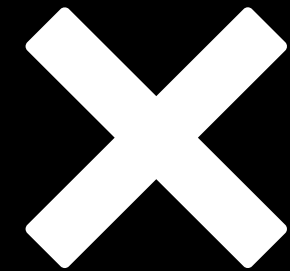

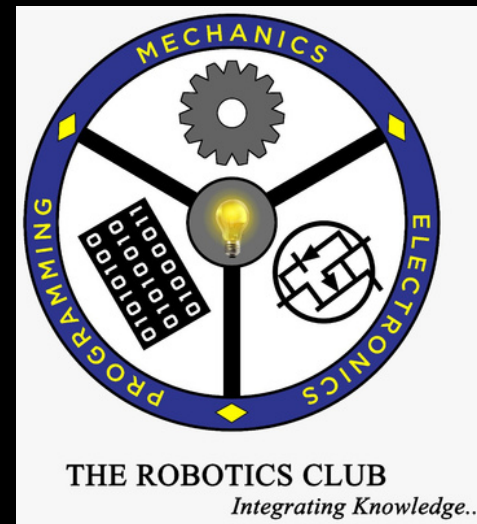

Watch our shenanigans over the past year

Here's a quick recap
